The Way We Were

Memories light the corners of my mind.

Misty water color memories of the way we were.

Scattered pictures of the smiles we left behind,

Smiles we gave to one another for the way we were.

Can it be it was all so simple then,

Or has time rewritten every line?

If we had the chance to do it all again,

Tell me would we? Could we?

Memories may be beautiful and yet,

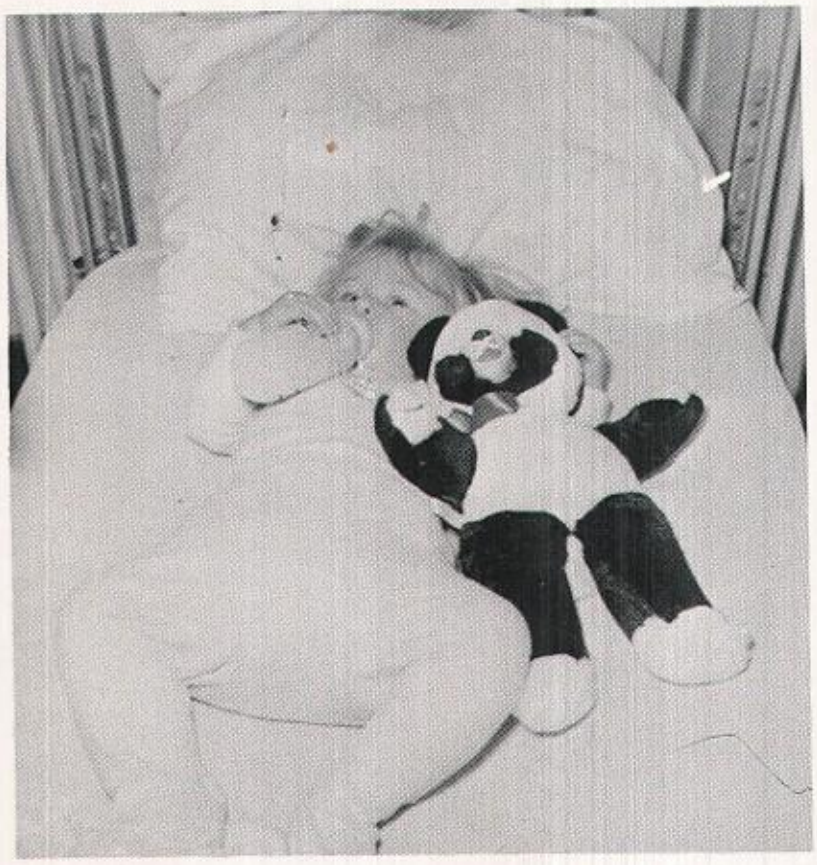
What's too painful to remember,

We simply choose to forget.

So it's the laughter we will remember

Whenever we remember the way we were;

The way we were.



The Way We Were

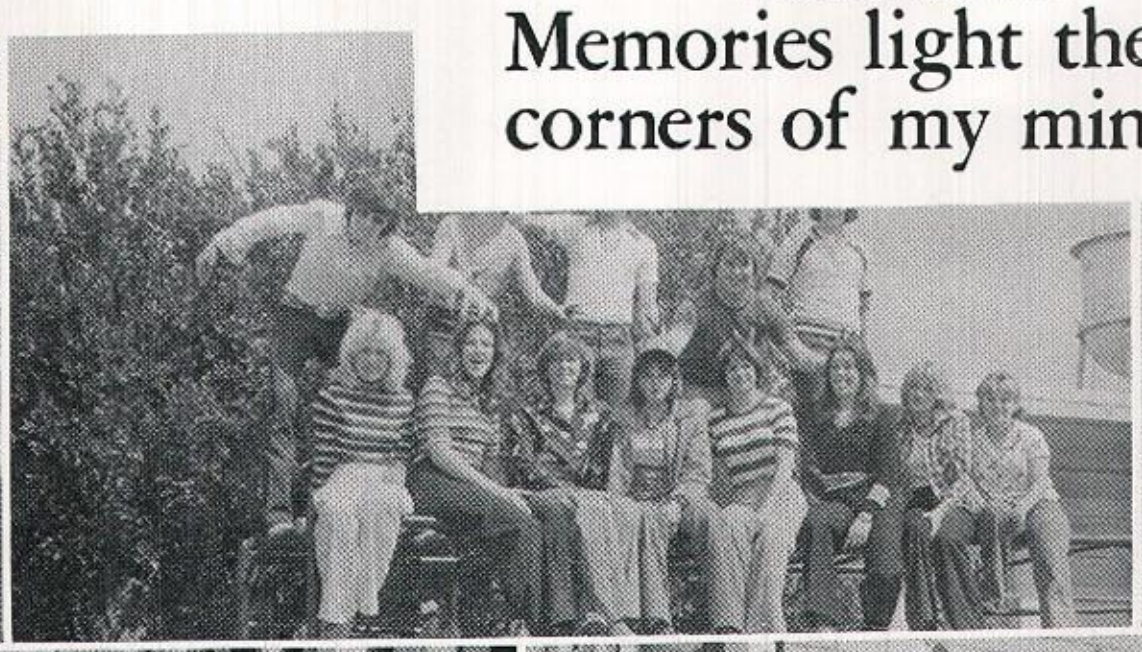
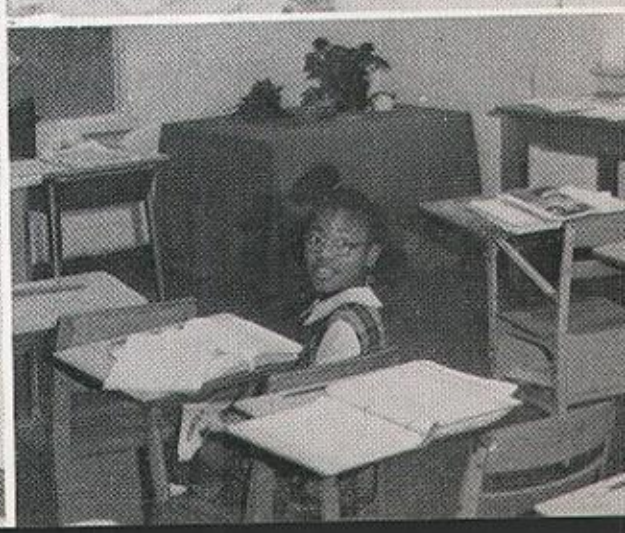
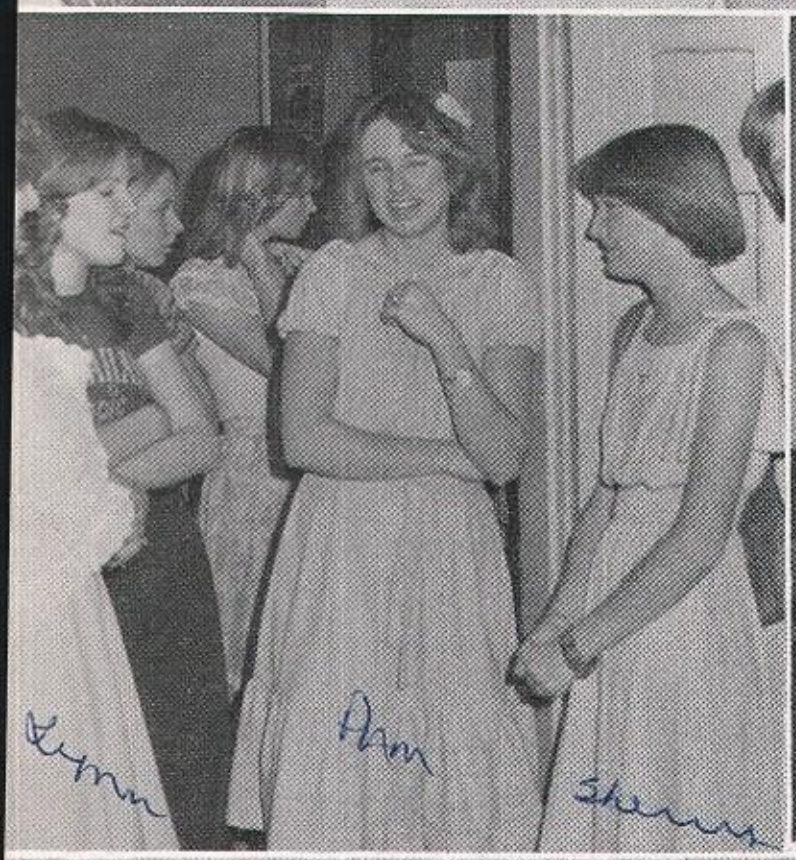
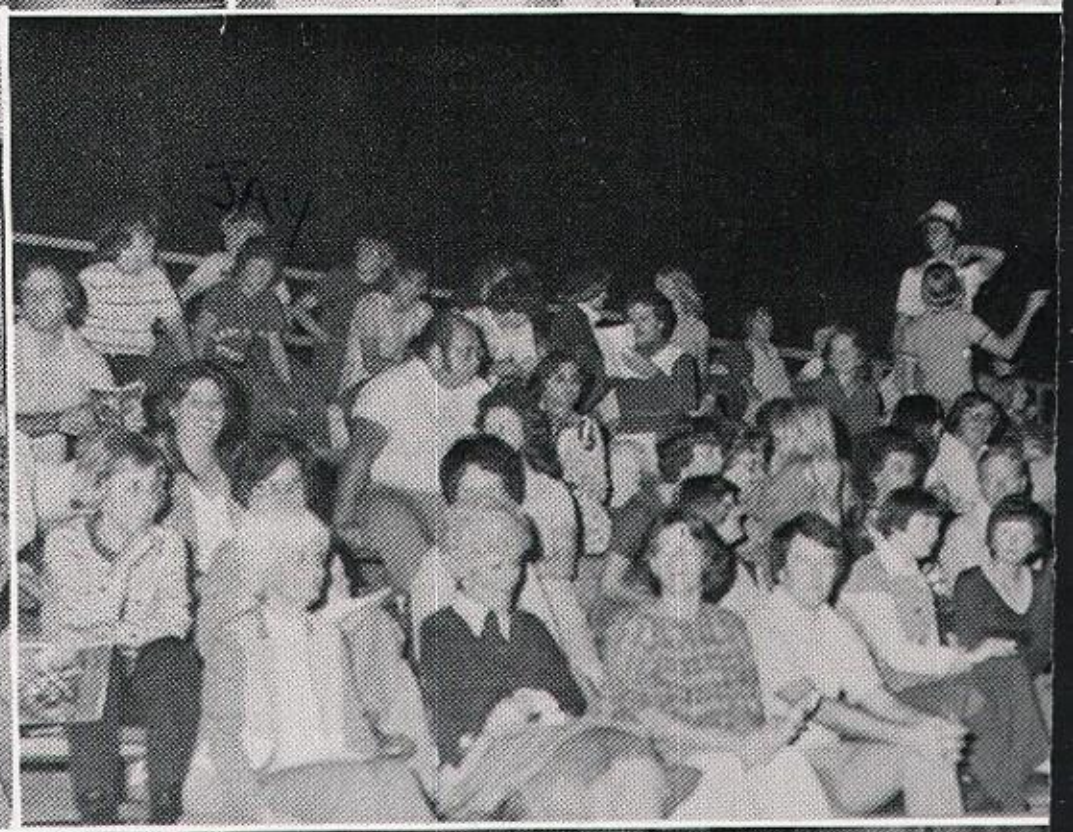
Memories light the corners of my mind.



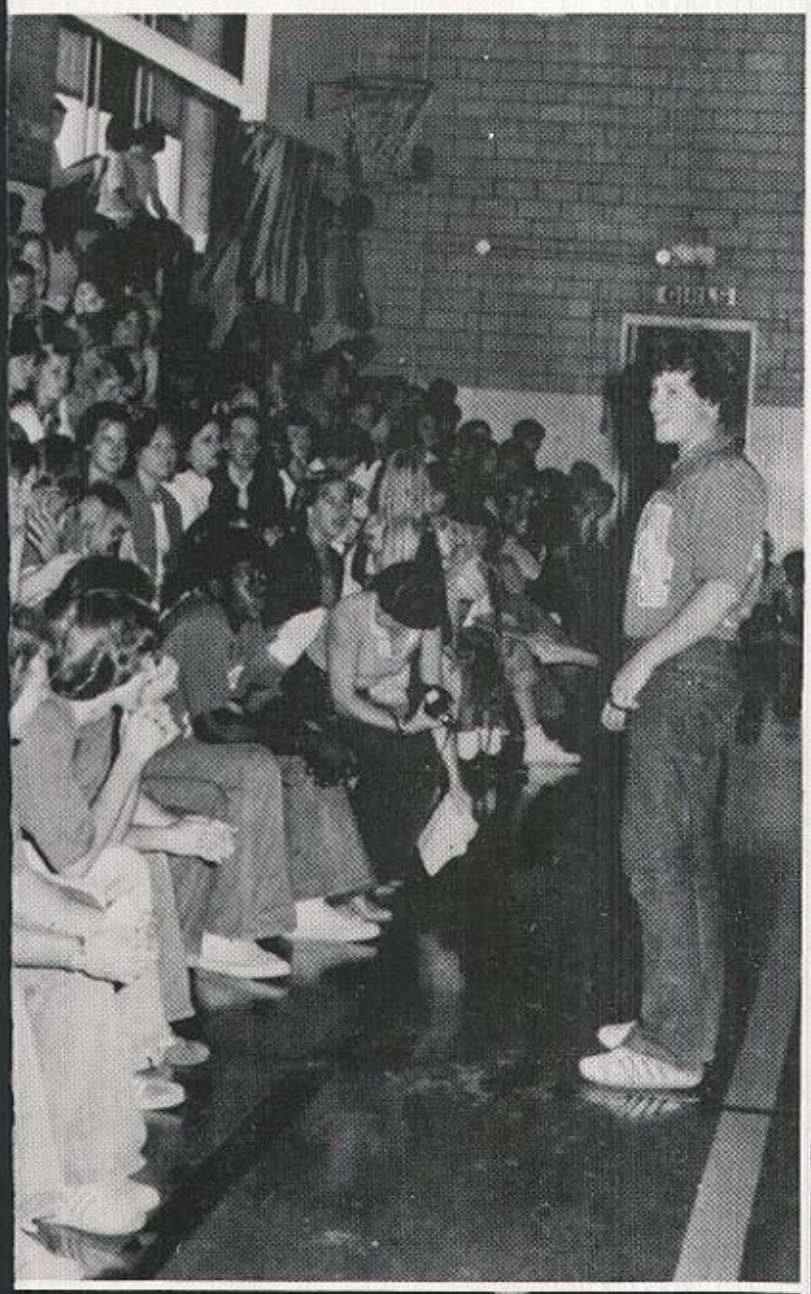


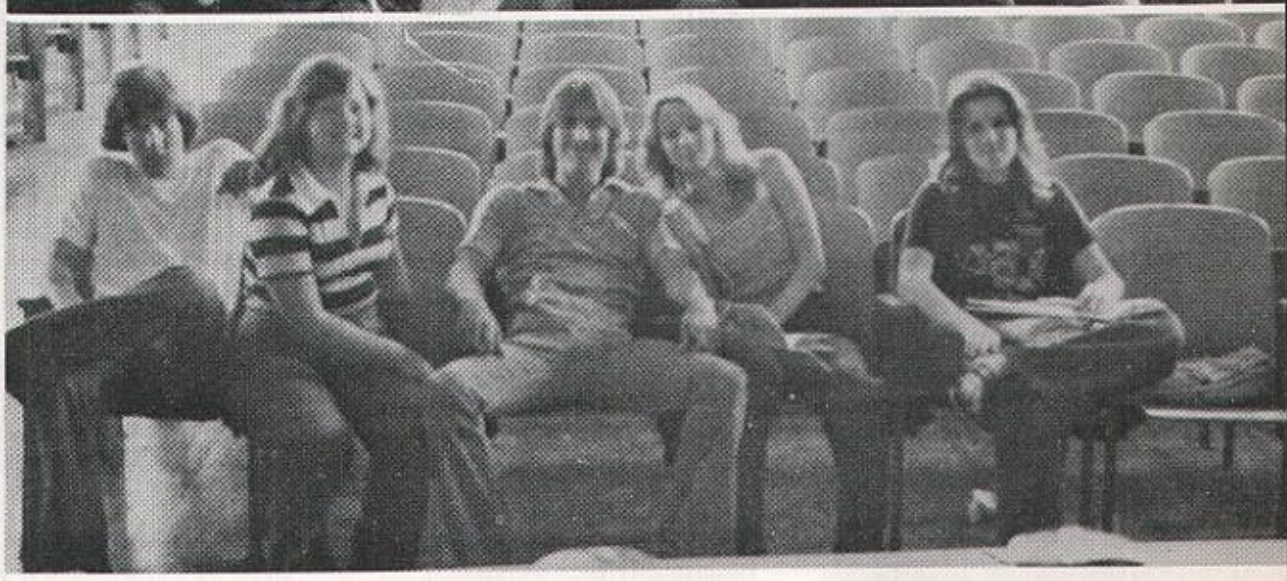
Misty water color memories of the way we were.

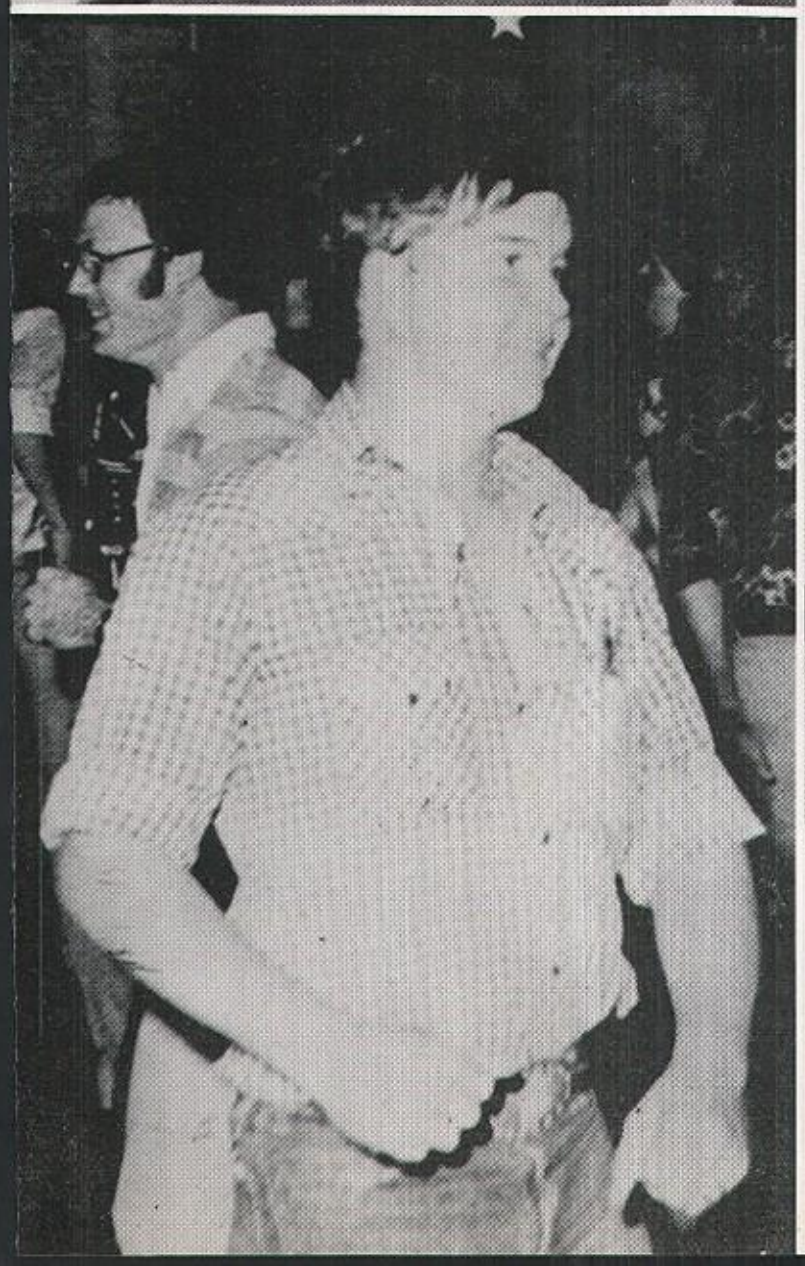




Scattered pictures of the smiles we left behind,

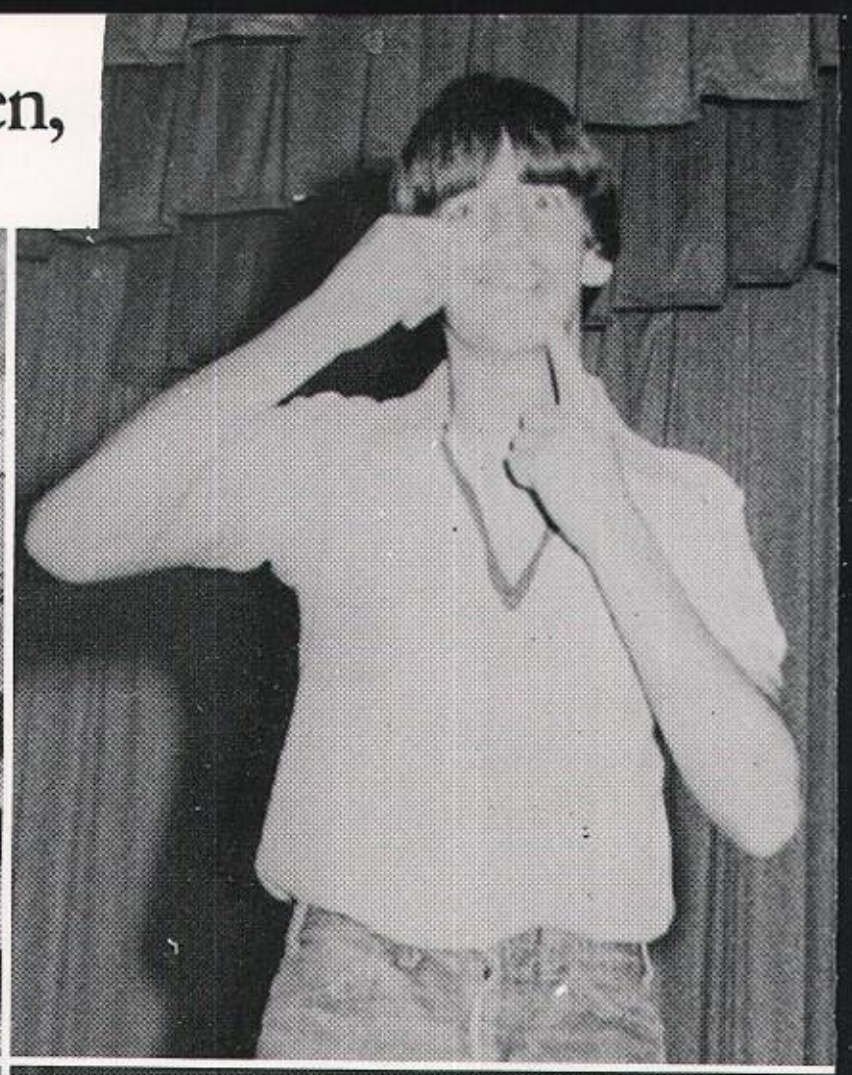


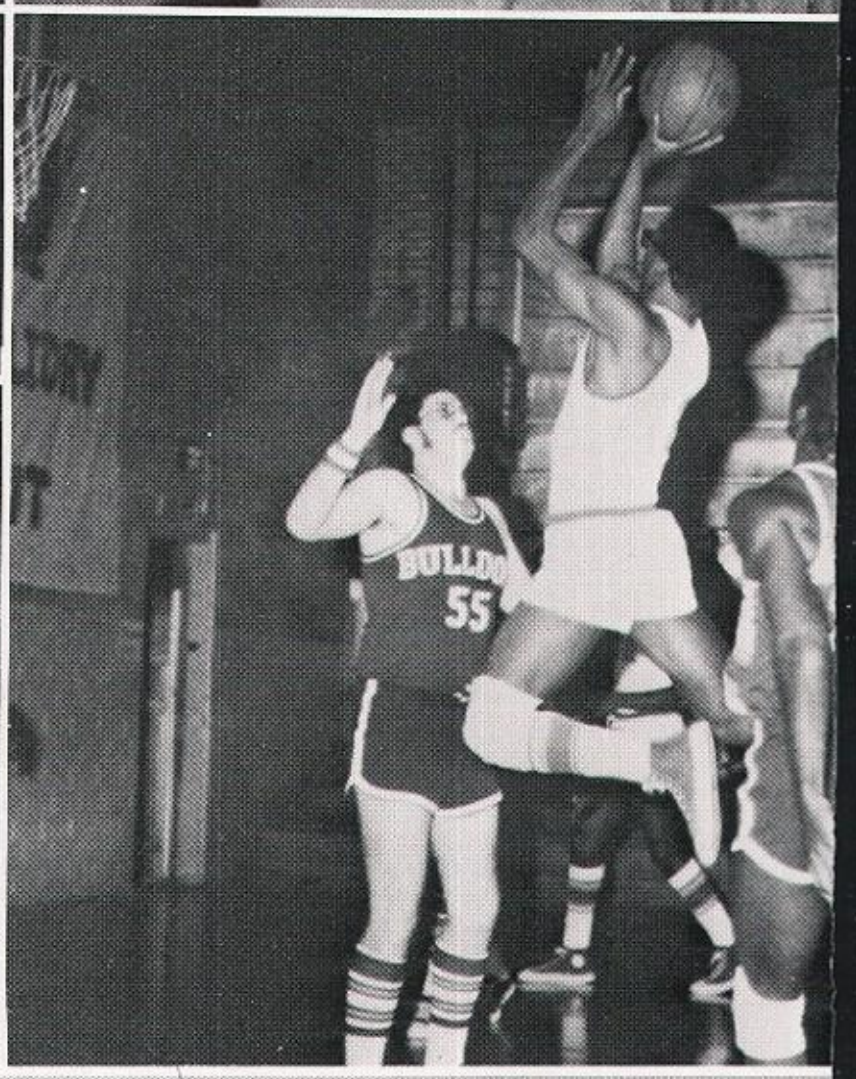




Smiles we gave to one another for the way we were.

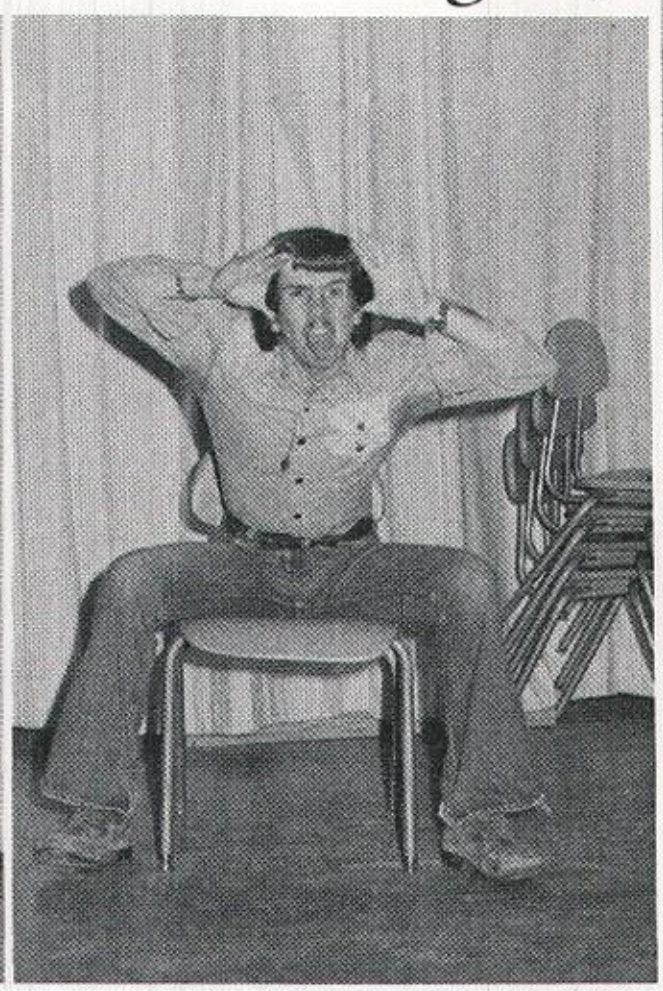
Can it be that it was so simple then,

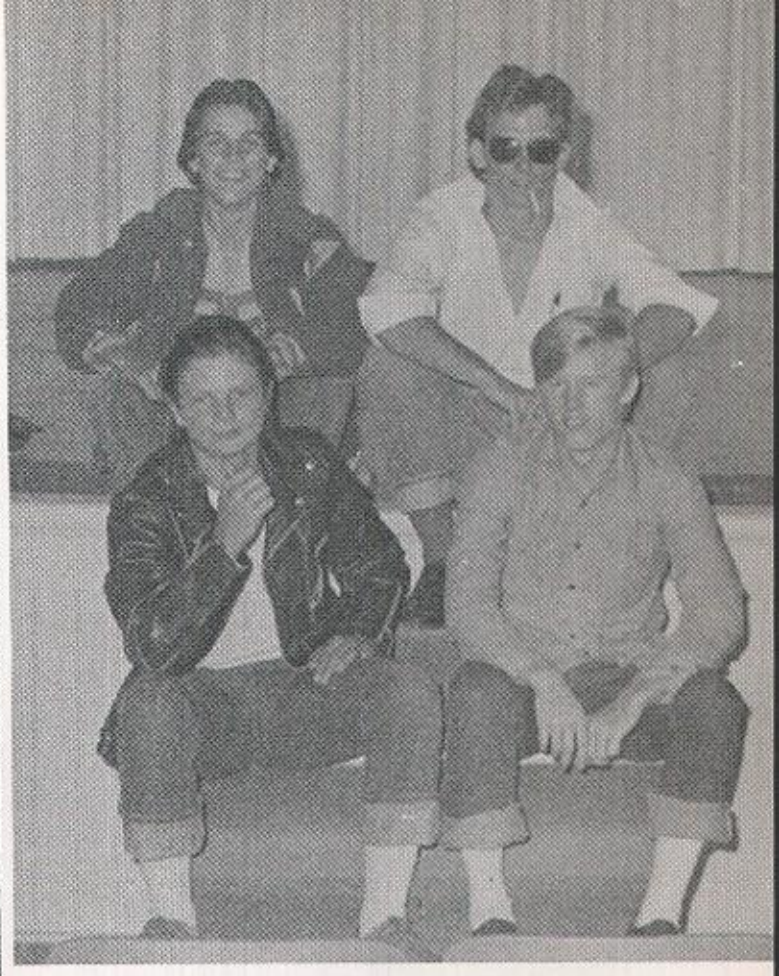




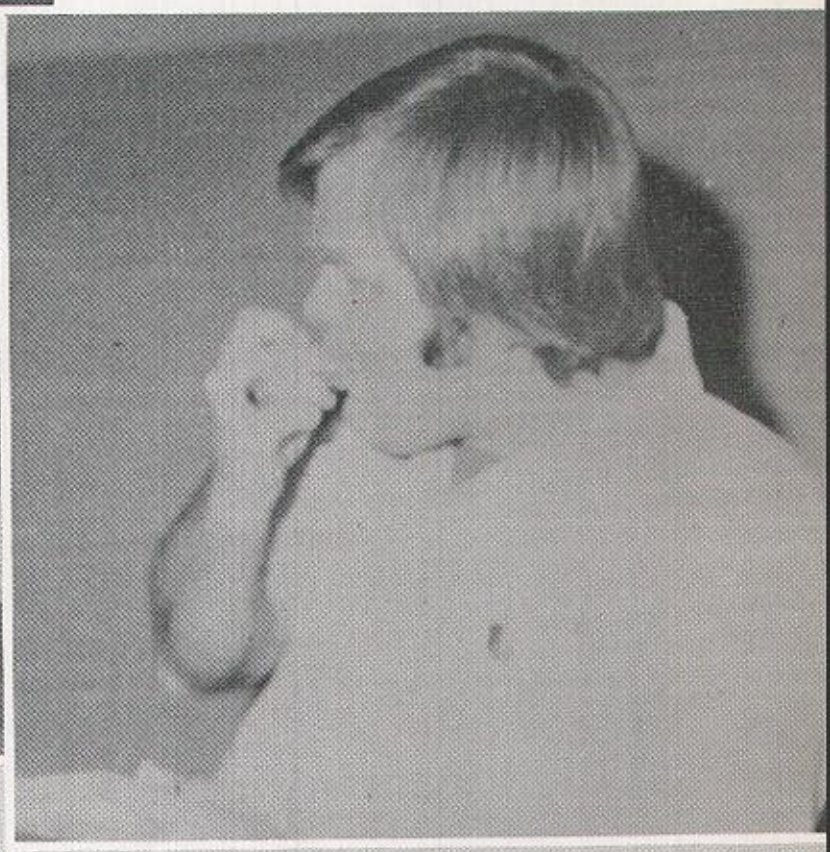
or has time rewritten every line

If we had the chance to do it all again,



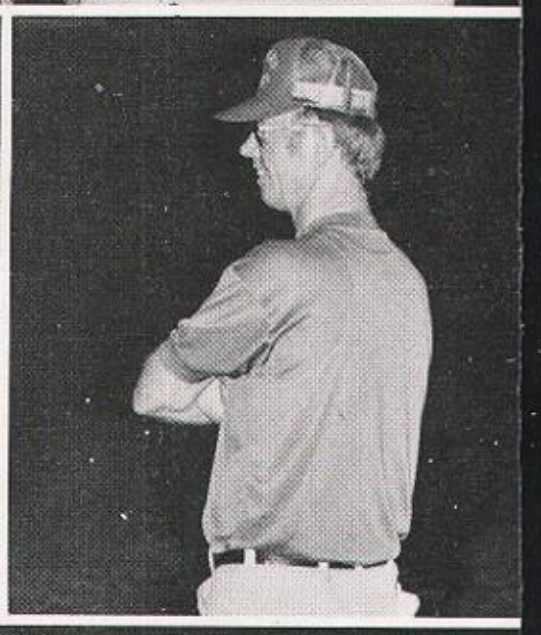


Tell me would we?



Could we?

Memories may be
beautiful, and yet



what's too painful
to remember

we simply choose to forget.

whenever we remember

So it's the laughter
we will remember
